THE PUFFIN

NEWSLETTER OF THE LUNDY SPECIALISTS' SOCIETY

Dear Fellow Members,

The main news of Lundy in the past few months has been a proposal on the part of the Devon County Council that the island should officially, after years of assumed independence, be attached to Britain. No decision seems to have been made yet.

Miss Gladys Moon of Illinois drew my attention to an illustrated article in the "Time" magazine of December 28th 1959. There has also been considerable discussion of the matter of the boundary dispute on radio, television and in the daily press. A large illustrated article covering nearly half a page appeared in the Manchester Guardian of January 18th 1960.

Yours sincerely,
Barry N.D.Chinchen.
